HOLOCAUST MEMORIAL DAY

FRIDAY JANUARY 27TH 2017

Holocaust Memorial Day takes place on Friday 27th January 2017. The Theme this year for the event is:

“How Can Life Go On”

Last Wednesday, 18th January, Holy Cross High School was honoured to host South Lanarkshire Council’s Holocaust Memorial Event, which was a thought provoking and uplifting experience.

Many subject areas across the school will be discussing and learning about the events which led to The Holocaust.

“Between 1941 and 1945, The Nazis attempted to annihilate all of Europe’s Jewry. This systematic and planned attempt to murder European Jews is known as the Holocaust (The Shoah in Hebrew).

From the time they assumed power in 1933, the Nazis used propaganda, persecution and legislation to deny human and civil rights to Jews. They used centuries of anti-Semitism as their foundation. By the end of the Holocaust, six million Jewish men, women and children had perished in ghettos, mass shootings, in concentration camps and extermination camps”. (Holocaust Memorial Day Trust).

Friday 27th January is the day for us all to remember the millions of people murdered in the Holocaust, under Nazi Persecution and in the subsequent genocides in Cambodia, Rwanda, Bosnia and Dafur.

On Holocaust Memorial Day, we honour the survivors of these regimes and challenge ourselves to use the lessons of their experiences to inform our lives today; by challenging hatred and creating a safer, better future.

“Today well lived makes every tomorrow a vision of hope”.

ALMA VALENTINE'S DISCO

Did you receive any well-intentioned fragrance, toiletry, jewellery, accessory, confectionery or cuddly toy gifts for Christmas which you do not need or are not to your taste?

Do you have any gift sets at the back of a cupboard which you do not think you will get around to using?

If so, we would be delighted and grateful to take these gifts off your hands because we are looking for items such as these to use as prizes at the ALMA Valentine's disco in February.

We are sure it will be a great social event for the S6 pupils and our invited guests with special needs.

If you have any sets like these, please send them to Mrs. Hinchliffe in Modern Languages.

We can accept gifts with open or damaged packaging, as long as they are unused. We will wrap them up in an appealing, presentable manner.

Many thanks,

Holy Cross High Pastoral Team.

SCOTTISH SPACE SCHOOL

The Scottish Space School web site is now live and fifth year pupils can apply via the web site for a place at the 2017 space school. Each year pupils from all over Scotland attend a residential course at Strathclyde University (in June 2017) comprising of workshops and lectures all based on a space theme. The top 10 students will then be selected for a 7 day learning journey to the Johnston Space Centre in Houston, Texas. Each School usually has two or three successful applicants to the Scottish Space School and if you are exceptional you might even make it to Houston. Good Luck

P.S. Please let me know if you apply
