Please ensure you are in the Street area **15** minutes before the start of your exam. This will allow you to be registered and seated for the start time. Remember to bring all the things you need like pen/ruler/calculator (if needed) etc. Ensure you have **no** smart devices on your person and ensure mobile phones are switched off and handed to the invigilator if brought into the exam room. Double classrooms are in English and Maths. Classrooms TBC will be confirmed prior to the exam. You will be allocated a classroom for each exam so check the notice boards. If you have any conflict exams please see me ASAP. Good Luck! Mrs Rea
